

Little Garden Markets

Delivering Fresh Produce to your door each Sunday

www.littlegardenmarkets.co.nz

We are a small, locally owned start-up business passionate about fresh, seasonal produce and good food.

We strive to do our Growers proud by representing them and bringing you their produce.

What makes us different is *choice*. **You choose** what you want and the time you have it delivered on Sundays.

You will know who grew your food, how, why and when. Support your local Growers by coming on board with us.

We deliver choice.

Visit our website or give one of our team a call on 021 226 6963.

We look forward to hearing from you.
